May 21st 1-3 PM CST

Identifying, Confronting, and Combating Systemic Racism in the Clinical Workplace (Ken Oliver, PhD)

This workshop will overview the impacts of systemic oppression in the realm of clinical mental health. Participants will explore provider strategies for dealing with client experiences and explore their own contributions to systemic oppression. Presenter will explore advocacy strategies for confronting and combating systemic racial oppression.

June 4th 1-3 PM CST

Towards Multicultural Competence: Exploring Implicit Bias for Clinical Professionals (Asabi Dean, PhD)

This workshop will explore the impact of implicit bias for clinical professionals. Presenter will utilize recent news stories to illustrate ramifications of unchecked bias and engage participants in self-reflective practice to assist in identifying and challenging their bias.

June 18th 1-3 PM CST

Intersectionality: The Impact of Race and Gender on Child and Adolescent Development (Andrea Fifield, PhD)

This workshop will overview how race and gender influence the development of children and adolescents. Common developmental milestones and challenges will be discussed. Presenter will explore strategies for facilitating resilience and optimal development.

This program was funded by the IL. Dept. of Human Services in partnership with The Chicago Community Trust.
